Surindra Auto Industries

<https://www.indiamart.com/surindraauto/>

We are one of the eminent manufacturers and exporters of trailer suspension parts, tractor linkage parts and other automobile spare parts. These are highly appreciated for high tensile strength, durability and dimensional accuracy.

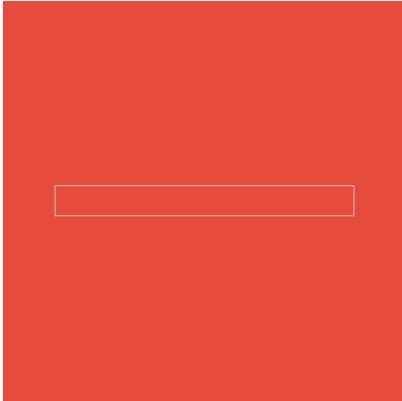

About Us

We, **Surindra Auto Industries** are one of the renowned organizations, engaged in manufacturing and exporting trailer suspension parts, tractor linkage parts and other automobile spare parts. Efficient use of raw material in manufacturing process has enabled us to offer products as per international quality standards. Our products are internationally known for dimensional accuracy, resistant to corrosion and excellent finish. **We are an ISO 9001:2008 certified company.** We have developed state-of-the-art manufacturing unit to cater to prevailing and emerging demands of automobile industry. This unit is spread over a large area and is installed with **turning centers** and **spline & keyway broaching**. Complete knowledge of our professionals about these machines enables us to cater to specific demands of clients. By regular oiling and lubricating, our professionals help us in maintaining consistent rate of production. We are continuously progressing under the ardent guidance of our team of dedicated and committed professionals. Owing to their in-depth knowledge and rich industry experience, we have gained an edge over our competitors.
